This questionnaire is designed to assist you in planning for your personal discussion with the Archdeacon. The personal discussion is the key to the success of the Review.

You should expect to take about 3 hours using this questionnaire to express your thoughts and feelings about all aspects of your ministry.

At the root of this process is the Ordinal, which establishes the fundamental principles for successful ministry.

When you have completed the questionnaire, it would be helpful if a copy could be sent to the Archdeacon prior to the meeting.

This document (and any copies) will remain your property. You will retain it after the meeting. No copy will be kept in the Bishop’s files. Any record of decisions made will be kept only by agreement.

The form is designed to be completed electronically, and so there are no ‘spaces’ for ‘answers.’ Please just use the template as is most useful to you.
