

*Post lockdown,
how is life for you?*

**What matters most -
now?**

How do you see the future?

**Where does God seem to be
in all of this?**

**If you are a Gulf resident
and would like an opportunity to share where you are;
how you are in this season;
a trained Spiritual Director
is available to listen confidentially.**

Sue Riddell

Sue is a British/New Zealander, and has lived in West Sussex, UK, since 1974. She lives on a working farm in Petworth, and is part of the leadership team of Petworth Community Church. Sue has worked in spiritual direction and retreat leading for 18 years, mainly in West Sussex and more recently in the UAE. Sue also has experience in supervision and spiritual direction training. Celtic spirituality and the contemplative way are close to her heart.
